Sir,

Sub: Industries - Sericulture - Kollegal Silk Filatures, Kollegal - Rat-bitten cocoons - Sanction to write off loss - Requesting-

---

The Manager, Kollegal Silk Filatures, Kollegal has reported that during 1944-45, a quantity of 3020 lbs. (green weight) of cocoons valued at Rs.3822-3-0 at the average rate of Rs.1-4-3 per lb. got damaged by rats and that it was disposed of to Messrs.Jaya Spun Silk Mills, Bombay for a sum of Rs.780/-. As there was a loss of Rs.3042-3-0 (Rs.3822-3-0 minus Rs.780/- = Rs.3042-3-0), it has been suggested in the recent audit that the loss occasioned should be written off under the orders of the competent authority.

Z

In spite of all attempts to protect the cocoons by use rat traps, food poisoning and rearing of cats, some damage is being caused to the cocoons by rats. This cannot be completely eliminated though efforts to minimise it, is being continually made.

In the circumstances, I suggest that Government be pleased to issue orders sanctioning the write off of the loss of Rs.3042-3-0.

The draft order may be accepted.

(The extent of damage and the amount involved seem high and the position as stated at B on p. 2 C.F. does not also seem satisfactory.) ~~It should be possible for complete proto~~.

22.11.45

It is not clear whether damage by rats cannot be prevented. The Mysore Govt. have their silk filatures and it is not ~~clear~~ known what precautionary measures they take. The Director may be requested to go into the whole question.
